REFUND/CANCELLATION POLICY

Unbound Potential understands that circumstances may occur that cause alterations in plans. In the event that your child is unable to attend a week of summer camp, tuition may be applied to another week of camp. Refunds will not be given due to changes in plans. If COVID-19 or related illnesses present circumstances in which a camper is unable to attend camp, refunds will be provided with the submission of a doctor’s excuse upon return to summer camp.

Any additional or specific circumstances may be presented to the executive director for further decisions to be made on the behalf of the student.
